

Student Code of Conduct

As a student representing Eagle Vale High School and playing under the auspices of the rules and regulations of the school relevant sporting body, you must meet the following requirements regarding your conduct at school and during any sporting activity or event.

Expectations:

- Abide by the school rules and play by the rules associated with each specific sport.
- Attend school and all other school related commitments regularly (attendance/punctuality rates below 92% may result in being made ineligible to represent Eagle Vale High School).
- Set an example worthy of being followed both on and off the field. At all times be an ambassador for Eagle Vale High School (breaches of the school's discipline policy may result in being made ineligible to represent the school or in being withdrawn from the Targeted Sport Program).
- At all times work and perform to the best of your ability (repeated failure to complete schoolwork, homework and assessment tasks may result in being made ineligible to represent the school until the outstanding work is completed).
- Never argue with a teacher, coach or official. Always be cooperative.
- Control your temper. Verbal abuse of officials, sledging other players or deliberately distracting or provoking an opponent is not acceptable or permitted behaviour in any sport.
- Care for and respect the equipment provided to you as part of your program.
- Be frank and honest with your coach concerning illness and injury and your ability to train fully within the program requirements.
- Work equally hard for yourself and/or your team. Your team's performance will benefit and so will you.
- Be a good sport. Applaud all good plays whether your team or the opposition makes them.
- Treat all fellow students and participants in your sport as you **would** like to be treated. Do not bully or take unfair advantage of other students or competitors.
- Participate for your own enjoyment and benefit, not just to please your parents and coaches.
- Respect the rights, dignity and worth of all participants regardless of their gender, ability, cultural background, or religion.
