

Mobile Phones

Acceptable Use Procedures

This Agreement was last updated **03 September 2020**.

Any student wishing to carry a mobile phone to school **MUST** read this *Acceptable Use Procedures* with their parents/carers, and sign and return the **Mobile Phone Acceptable Use Agreement**.

RATIONALE

Eagle Vale High School acknowledges that for many parents, mobile phones are a valuable safety measure for their children while travelling to and from school. We also recognise however, that the use of mobile phones during class time can create both disruption to learning and an atmosphere of insecurity where outsiders can be encouraged to approach the school. These procedures attempt to recognise these conflicting concerns.

Devices such as Portable Bluetooth Speakers disrupt learning in the classroom and are not a necessary item. As such, any student that brings a Potable Bluetooth Speaker (or other type of speaker), will be directed to surrender the device. (see Portable Bluetooth Speaker Policy & Procedures)

AIMS

To minimise disruption to the learning of all students and create a safe school environment.

MOBILE PHONE ACCEPTABLE USE PROCEDURES

- Mobile phones are permitted in the school grounds before school and during recess/lunch breaks for listening to music only;
- Security and responsibility of mobile phone devices is the responsibility of the owner;
- The school accepts no responsibility for replacing lost, stolen or damaged mobile phones;
- A mobile phone that is found should be handed to the administration office;
- **Mobile phones are to be on silent or switched off during class time** (except under teacher instruction);
- Mobile phones are **NOT** to be used during class time in any manner that is disruptive to the normal routine of the school;
- Parents are required to call the school landline 4626 5088 for all communication purposes. Similarly, a student that needs to contact home will seek permission from a Deputy Principal to use a school phone;
